

Looking for that perfect layout? This home has it all! A guest suite with ensuite also doubles as the downstairs bathroom. The family, kitchen, dining and outdoor living shapes around to create a private outdoor area, great for the kids. Upstairs, whether it's entertaining, reading a book in a quiet lounge or studying, there's a space for all. You will only have to look at the master suite once to fall in love with its mirrored walk-in wardrobes, double vanity and private toilet and shower layout. This home truly has it all!
