

This modern design, boasts a spacious open living area, one master, two bedrooms, a double garage, and a paved patio. The texture of the façade and the texture of the land reinforce and enhance each other, showing the perfect balance between the two. It is a great living space letting in as much sunlight as possible through many floor to ceiling windows. This home provides the modern features and spaces that will make any family happy.

Floor Area: 221m<sup>2</sup>
